HYUNDAI | NEW THINKING. NEW POSSIBILITIES.

# i30

# HYUNDAI.
# NEW THINKING. NEW POSSIBILITIES.

At Hyundai, we understand that life is about continual change. Our progress as a company isn't measured by our actions in the past but by how we respond to our environment and listen to our customers.

Our focus today is on producing cars that embody quality, variety, innovation and individuality – cars that are underpinned by 5-star quality in design, build, features, accessories and safety.

And as a testament to our worldwide commitment to quality, Hyundai is now one of the world's fastest growing automotive brands. Our aim is to challenge and question the way things are done to create bigger new ideas and better quality solutions to enrich our customers' life experiences. Only by re-imagining what tomorrow's world will bring, can we meet our customers' needs now and into the future. We invite you to join us on our journey.

## A NEW BENCHMARK IN SERVICE AND SUPPORT

Your i30 ownership is supported by all the benefits of the Hyundai iCare program, which demonstrates our commitment to back every vehicle we build and to make Hyundai ownership an enjoyable, worry-free experience. iCare includes:

- The peace-of-mind of Australia's first five-year unlimited kilometre warranty¥
- Hyundai iCare Capped Price Service#, which further reduces the cost of owning a Hyundai
- The confidence of Hyundai Roadside Assist for up to 7 years*
- The convenience and exclusive benefits of myHyundai
- The support of our 24/7 Customer Care Centre
- The assurance of a complimentary 1,500km vehicle inspection
- The satisfaction of having your vehicle serviced by qualified Hyundai factory-trained technicians using only Hyundai Genuine Parts
- The timeliness of updated mapping and content for factory installed satellite navigation through the 3 years NAVTEQ MapCare™ Plan^

HYUNDAI iCare

3 YEARS CAPPED PRICE SERVICE | 3 YEARS MAPCARE™ PLAN | 5 YEAR UNLIMITED KM WARRANTY | 7 YEARS ROADSIDE ASSIST

**i30 Premium** model shown in Clean Blue

# AWARDED ONE OF AUSTRALIA'S BEST CARS

The i30 raises the bar for small premium vehicles by redefining the possibilities of small car motoring.

The i30 embraces Hyundai's "We Do" philosophy, which sets higher standards of design, build quality and performance for each new model release. This is perhaps why the independent motoring associations of Australia named the i30 Active the Best Small Car under $35,000 in the Australia's Best Car Awards for 2013.

Packed with all the smart stuff that makes every journey a fun and relaxing experience, and with a maximum 5-star ANCAP Safety rating, the i30 reinforces Hyundai's reputation for delivering the most advanced features as standard.

# STYLE SHIFTS UP A GEAR

Designed by a handpicked team at the Hyundai Motor Europe Technical Centre in Rüsselsheim, Germany, the i30's sporty and dynamic styling is simply eye-catching. The flow of character lines creates an interplay of light and shadow, generating a sense of constant movement.

High-quality touches such as a wide twin-panel panorama glass roof which comes standard on the Premium model (optional on SR), add extra finesse and underscore the concept of a luxury small car.

**Rear spoiler**
The rear spoiler adds a sporty touch and helps improve aerodynamics. It is integrated with an LED high-mount brake lamp, which highlights your intention to stop to anyone driving behind.

**Fog lamps**
The angular shaped fog lamps are set in a soft-edged recess, adding extra personality and a sense of refinement while enhancing visibility of the road ahead during poor weather.

**Folding wing mirrors & welcome lights (Elite, Premium & SR)**
Aerodynamically designed outside mirrors automatically fold and unfold when the Smart Key remote is activated. Similarly, puddle lamps switch on when the vehicle is unlocked, making entry to the front seats easier and safer.

**i30 Premium** model shown in Stone Blue

# A GENEROUS, COMFORTABLE AND ENJOYABLE RIDE

Sporty and compact on the outside, the i30 interior radiates confidence and comfort. Packed with technology-rich features such as a touch-screen multimedia player, the first impression the i30 offers is exciting and futuristic.

Then you'll be struck by the surprising sense of space and comfort. Suddenly, it's no longer a small car. There's plenty of head, leg and shoulder room, plus more than a long-weekend's worth of cargo space for cases, bags and sports gear - as well as a whole lot more. With 60:40 split rear seats, the i30's total carrying capacity is more than impressive, and the Premium and SR also offer the added convenience of an under-floor storage box located in the cargo area.

As you'd expect in a luxury vehicle, the i30 also incorporates a variety of technologies and construction features that create a quiet cabin environment by reducing outside noise.

**Power seats** (Premium & SR)
The automatic 10-way adjustable driver's power seat features excellent lumbar support, easy manoeuvring, optimal seating positions and maximum driving comfort.

**i30 Premium** Interior shown

**Seat warmer** (Premium)
The front seats offer two levels of heating capability for extra warmth and comfort in winter.

**Dual-zone climate control** (Elite, Premium & SR)
The climate control system offers a dual-zone mechanism providing optimal comfort, allowing the driver and front passenger to select separate temperature settings.

**Glove box cooler**
The glove box cooling function makes it an ideal place to store drinks and snacks, while keeping them cool and fresh.

# FUNCTIONALITY THAT EXCEEDS EXPECTATIONS

The i30 has been designed for the way we live today. Switched on, always connected and highly mobile. It's the car for people whose world travels with them - not just their family and friends.

The i30 centre fascia is dominated by an LCD touch-screen multimedia system, which in the Elite, Premium and SR models is integrated with a satellite navigation system with 3 years NAVTEQ MapCare™^ updates that will help you get to your destination faster, while also doubling as a display monitor for the rear view camera.

The advanced audio system complements the role that music plays in your life. It supports multimedia devices, hands-free calling and music streaming. Better still, the speaker system pumps out with crystal-clear sound quality.

NAVTEQ MAPS

^MapCare™ Plan only applies to new vehicles with factory-fitted satellite navigation. NAVTEQ and MapCare™ are registered trademarks of Nokia Corporation. Maximum number of 2 updates, delivered on an annual cycle within 3 years of the vehicle's initial purchase. Free map updates only apply if the vehicle is serviced at a participating authorised Hyundai dealer. †SUNA™ Traffic channel coverage is available in the following metropolitan areas only: Adelaide, Brisbane, Canberra, Gold Coast, Melbourne, Perth and Sydney. Bluetooth® is a registered trademark of Bluetooth SIG, Inc. #Please check your Bluetooth® device's capabilities to ensure compatibility.

**Discover one of the most advanced Sat Nav systems currently available, with 3 years NAVTEQ MapCare™^ Program** (Premium, Elite & SR):

- Live SUNA™ traffic updates† with suggested alternate routes, expected delay times, and estimated arrival time
- Dead Reckoning - using input from your vehicle, the system may still be able to calculate your location in the case of satellite signal loss
- Enhanced Junction View - offering detailed images of oncoming junctions to assist navigation of complex motorway entries and exits
- Points of Interest - including restaurants, hotels, petrol stations and parking; with programmable detour feature
- Driver Alerts to help you avoid upcoming dangerous situations - eg. accident black spots, known hazards and more
- Speed Limits, Speed Warnings and Camera Alerts for the safest possible drive

**Everything at your fingertips**

Steering wheel controls offer you quick and easy access to many of the i30's features. Cruise control buttons help to keep you within the speed limit, while Bluetooth® controls enable hands-free calling (Not available on Active) from any Bluetooth® compatible# device - all without taking your hands off the wheel.

# SETTING NEW STANDARDS IN LUXURY

The i30 resets your expectations of luxury in a small car by offering a range of premium features that's nothing short of class leading. Across the i30 range, you'll discover an array of intuitive technologies and advanced features that add convenience, comfort and fun to every drive.

**Rear view camera** (Premium, Elite & SR) The rear view camera is innovatively housed within the stylish Hyundai emblem, which opens when reverse gear is selected, and closes after the gear has been deselected.

**Park assist**
Using four rear-mounted sensors, this safety mechanism is activated when the reverse gear is selected, and provides an audible alert to warn you of obstacles behind your car.

**Dusk sensing headlights** (Premium, Elite & SR) To help increase the visibility of your vehicle to other drivers, headlights are automatically turned on as daylight begins to fade, or when entering dark spaces like tunnels or underground car parks.

**Rain sensing wipers** (Premium, Elite & SR) Windscreen sensors automatically turn on the wipers, providing hands-free comfort and safer driving during rainy weather.

**Welcome lights** (Premium, Elite & SR) Puddle lamps located underneath the side mirrors automatically switch on when the vehicle is unlocked, making entry to the front seats easier and safer.

**Proximity Smart Key and Push-Button start** (Premium, Elite & SR) When the smart key is within range, you can unlock the doors and start the car without putting your hand in your pocket.

**i30 Premium** model shown in Creamy White

# AN ATHLETIC AND EFFICIENT PERFORMER

The i30 matches its sporty good looks with an intelligent and impressive performance, made even more satisfying by a range of advanced driving technologies that enhance safety, convenience and comfort.

## Driving is a breeze with Flex Steer™

Hyundai's innovative Flex Steer™ function allows you to customise your steering to the environment you are in. Normal mode is perfect for day-to-day driving; Sport mode enhances your drive on the open road; while Comfort mode provides a lighter steer and easier manoeuvrability in slow moving inner-city traffic.

*Source: Australian Design Rule 81/02 static laboratory combined average city and highway cycle test for manual. Fuel consumption will vary depending on a combination of driving habits and the condition of the vehicle.

**i30 Premium** model shown in Dazzling Blue

## The best ride and performance for all conditions

The i30 has undergone extensive local tuning to ensure that the suspension is optimised for Australian conditions to provide the best possible ride and handling. When paired with either of the six speed manual or automatic transmissions, the i30 provides a driving experience like no other small car.

# SAFETY WITHOUT COMPROMISE

When you take to the road, you want the peace of mind that you'll reach your destination safely and without incident. That's why it's so reassuring to know that Hyundai is committed to building the safest cars on the road today.

Our approach to safety begins at the drawing board and continues with the construction of a rigid body that's reinforced with high-tensile strength steel, manufactured in our own environmentally friendly steel mills, using Australian materials. We also incorporate a comprehensive array of active safety technologies to help the driver avoid accidents, supported by numerous passive safety devices that provide maximum protection for occupants in the event of an impact.

When you drive any vehicle in the i30 range you have the assurance that it's designed and built to achieve Australia's maximum 5-star ANCAP safety rating, because at Hyundai safety is never an optional extra.

ANCAP Safety ★★★★★

**Brake Assist System (BAS)**
BAS helps minimise the stopping distance by applying maximum brake force when the system senses an emergency braking situation.

**Vehicle Stability Management (VSM)**
Hyundai's state-of-the-art VSM System takes active safety one step further. Using integrated information from the vehicle's other active systems including ESC and TCS, VSM intuitively applies steering assistance in appropriate circumstances in order to help guide the driver to the best steering position in a given situation.

**Traction Control System (TCS)**
Working in tandem with ESC, the Traction Control System helps the driver prevent wheel spin under hard acceleration, when starting on a slippery surface or driving up a steep incline.

**7 Airbags system**
In the event of a collision, you've got protection thanks to a comprehensive system of 7 airbags. This includes driver and front passenger airbags, nearside and offside curtain airbags, driver and front passenger side thorax airbags, as well as a driver's knee airbag.

**Rigid body construction**
The i30 chassis features a rigid construction that has been reinforced with high-tensile strength Australian materials. Additional protection is provided by reinforcement of the rear roof structure, centre pillar, side sills, outer rails and front doors.

**Electronic Stability Control (ESC)**
If the vehicle detects a loss of control, ESC activates brakes on individual wheels to help correct and minimise skidding helping you to stay on your intended course.

# THE i30 TOURER

For many of us, being truly free means enjoying an active, lifestyle. That's why we added the i30 Tourer to the range.

With an abundance of extra space and versatile seating, you'll find it offers an incredible total storage capacity of 1642 litres - more than enough room for all your sporting and leisure equipment.

And thanks to its stunning European design and long list of standard features, the Tourer is a wagon that lets you free yourself in complete style.

**i30 Tourer Elite** model shown in Sleek Silver

# EUROPEAN STYLING. INTELLIGENT DESIGN.

The i30 Tourer is proof that you don't need to sacrifice style to gain space. Hyundai's acclaimed "Fluidic Sculpture" design principles have been carefully integrated into the new Tourer and such features as our LED Daytime Running Lights and dark chrome effect grille  add a touch of European style to this versatile vehicle.

The spacious Tourer is further enhanced with the addition of roof rails as standard.

**Under floor storage**
When it comes to extra storage space, the i30 Tourer makes every square centimetre count. The clever under floor storage compartment is a great place to store smaller or more fragile items.

**Cargo blind**
To keep your precious cargo away from prying eyes, the Tourer comes complete with a cargo blind. And a safety barrier net will help keep larger items or taller loads secure in the rear of the vehicle.

**Modular folding rear seats**
No matter what you take on your weekend adventures, the i30 Tourer's versatile seat layout allows for your cargo to be loaded and unloaded with ease. And with the rear seats down, a massive cargo area of 1642 litres ensures you'll have room for items of every shape and size.

i30 SR

# Power up the fun.

The stylish i30 SR is the stand out small car that's made for fun. It offers a sportier look thanks to 17" alloy wheels, a sports front grille, HID Xenon headlights and a sports rear diffuser. And the good looks continue inside with the addition of leather appointed seats* to the already premium interior.

But the real fun comes from the SR's increased performance. It boasts 20% more power and 19% more torque than the standard 1.8L petrol engine, as well as a bespoke sports suspension developed for Australian conditions. The result is a more sporty and engaging drive – plus it's faster and has more responsive handling.

*Leather appointed seats means parts of the seats have a combination of genuine and artificial leather, but are not wholly leather.

**i30 SR Hatch** model shown in Brilliant Red

# FEATURES

There's an i30 to suit every lifestyle. This award-winning car comes in a range of seven models - from a smart 3-door hatch to our spacious 5-door wagon - each equipped with all the luxury and features you need to enjoy your driving experience.

**Full length Panorama sunroof**
The twin-panel roof offers true open-air driving fun. At the touch of a button, the front panel opens and a wind deflector activates for passenger comfort.

**Leather seats**
In the Premium i30 comfort is further enhanced with leather appointed seats*.

**Seat warmer**
The front seats offer two levels of heating capability for extra warmth and comfort in winter. (Premium only)

**Power seat**
The automatic 10-way adjustable driver's power seat features excellent lumbar support, easy manoeuvring, optimal seating positions and maximum driving comfort.

**Satellite Navigation**
The ergonomically designed high-tech in-dash 7" LCD colour touch-screen satellite navigation system is loaded with 3 years NAVTEQ MapCare™^ Australian and New Zealand street maps that include thousands of points of interest.

**Rear view camera**
A rear view camera displays what's behind your car, on the centre console 7" multimedia touch-screen.

**Dual-zone climate control**
The fully automatic climate control system offers a dual-zone mechanism providing optimal comfort, allowing the driver and front passenger to select separate temperature settings.

**Proximity Smart Key & Push-Button Start**
When the smart key is within range, you can unlock the doors and start the car without putting your hand in your pocket.

**Rain sensing wipers**
Windscreen sensors automatically turn on the wipers, providing hands-free comfort and safer driving during rainy weather.

**Dusk sensing headlights**
To help increase the visibility of your vehicle to other drivers, headlights are automatically turned on as daylight begins to fade, or when entering dark spaces like tunnels or underground car parks.

**Rear park assist**
Using 4 rear-mounted sensors, this safety mechanism is activated when the reverse gear is selected providing an audible alert to warn you of obstacles behind your car.

**Glove box cooler**
The glove box cooler offers an ideal place to store drinks and snacks, while keeping them cool and fresh.

**Full size spare**
The i30's European flair is complemented by its stylish wheels. There's even a full-sized spare wheel in the back for emergencies.

**Flex Steer™**
This exciting new Hyundai innovation enables you to customise your steering to your environment, by choosing Normal, Sport or Comfort mode.

**Bluetooth®/iPod®**
The audio system is operated via an in-dash touchscreen multimedia system that supports almost all types of media & is integrated with Bluetooth® connectivity# for hands-free calling & music streaming.

ANCAP
