GNU Radio

Conference, 2012

Sept. 24 - 27, 2012, Atlanta, GA

A unique event dedicated to bringing together the GNU Radio community to discuss ideas that will shape the project and evolve the uses and applications of software radio.

Features

- Presentations and talks by experts, users, and enthusiasts.
- Discussions with the developers and users.
- Hands-on collaboration.
- Show off and see other applications of GNU Radio.
- Day-long “HackFest” for open-ended projects, discussion, and collaboration.
