presence of the Lord," until he
passes by.

you're making an investment in

STAND ON THE MOUNTAIN

The Bible describes, in 1 Kings 19, a time when the man of God, the prophet Elijah, reached a crisis point at the end of an intense time of ministry. God's servant needed a time of rest and renewal, and a fresh commission from God. Mt. Horeb Ministries is designed to provide for men and women in ministry a similar experience to that which Elijah received on the mountain. To accomplish that, we incorporate a three-pronged strategy, explained below. To book a retreat or conference on any topic (see sidebar at left), or for more info, use the contact information on the back panel of this brochure.

SPEAKING

Bob has spoken to groups around the world for churches, denominations, universities, and non-profit organizations. His conversational, pastoral presentation style fits groups both large and small. He speaks out of a sense of camaraderie with people in ministry and a deep sense of calling to encourage and uplift them.

COUNSELING

Robin's education and experience as a professional Christian counselor combine with a passion for ministry and an understanding of the demands and burdens faced by people in ministry. A crucial part of a Mt. Horeb Ministries retreat or conference is her ability to provide one-on-one, family, couples, or group counseling from a solidly Christian biblical perspective as part of the retreat experience.

CONSULTING

Sometimes people in ministry just need a listening ear, outside their normal sphere of influence or circle of accountability, to bounce ideas off and gain perspective from.

Bob and Robin are in a position to apply decades of multi-faceted ministry and business experience to a diverse range of practical, real-world situations.
