GRANVILLE EDUCATION FOUNDATION

Thinking of buying a gift to thank your child's teacher for a great year, but you need an idea? Why not save yourself an expensive trip to the store and recognize your child's teacher's exemplary efforts by making a gift in their name to the Granville Education Foundation. It's fast, easy, environmentally friendly, and your teacher will love it! By making a donation in his/her name to the Granville Education Foundation, your contribution becomes part of the unrestricted fund that provides grants to teachers at the Granville Schools. No matter the grade level or subject matter, chances are your child has already benefited from a GEF grant. Your gift will not only honor the teacher, but will ensure that our grant awards continue to help teachers implement new and innovative programs in their classrooms for years to come! Gifts of any amount make a difference and are greatly appreciated! The honoree(s), of course, will be notified that you have made a gift in their name.

Your donation is tax deductible as allowed by law.
