

Lift Our Hearts

words by Charles Wesley, music by Carl Thomas Gladstone

Come, let us away
To Jesus, his Throne,
On this happy Day
That made our Hearts One,
With Prayer and Thanksgiving
Acknowledge his Grace,
Delightfully living
To Jesus's Praise.

Then let us lift up
Our Voices and Hearts,
Rejoicing in Hope
Till Mercy imparts
Lift our hearts as one!
Father, Spirit, Son
All our praise begun,
With our hearts as one!

His Counsel we see;
Together we came
That Both might agree
In Praise of the Lamb,
In close Imitation
Of Him we adore
And in His Salvation
Rejoice evermore.

O Jesus, appear
Thy Blood to apply,
And hallow us here,
And fit for the Sky,
To glorious Salvation
Our Spirits receive
In full Consummation
Of Rapture to live.
