

REACH OUT THIS SEMESTER

Feel free to customize this to better serve your microchurch

If your microchurch never existed, the world would be worse off because...

OUTREACH IDEAS

FIRST Think about bigger outreaches. (ie. proxes, block parties) How will you use these gatherings to invite people into the mission of your microchurch?

What about big gatherings/events/conferences (ie Crucible, Jesus Encounter) How will you invite people to respond?

What could you put in place to be a weekly rhythm (groups, Bible studies, new networks)?

SECOND Think about smaller outreaches (small group calls to faith, lunch with co-worker)

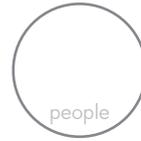

Little Gatherings (coffee, soccer, hangout, movie night)

Daily Habits (follow-up, Prayer walks, Basic Discipleship Plan)

OUTREACH IDEAS Write out as many outreach ideas as possible. This will serve you if you aren't able to think of new ideas during the semester.

What areas of the ministry will you reflect on regularly throughout the semester?

PLAN YOUR SEMESTER

Feel free to customize this to better serve your microchurch

What can you do between now and the beginning of the semester?

PRE-PLANNING

EXPLORE who Jesus is sending you to reach and what he is saying to your community. Go on prayer walks, host prayer meetings and keep track of what you hear. What goals do you have for prayer?

THINK of as many questions concerning your planning that start with "How might we..." as you can. Prioritize your questions to help you focus.

DEVELOP a clear vision statement. Who are you as a microchurch and what do you hope to see happen because you exist?

CRAFT a 30 sec, 3 min and 10 min versions of your vision.

GATHER core members and cast the vision before the semester starts. Who needs to hear and when will they hear it? What risk will you invite your community into this semester?

PLAN your initial outreach strategy, events, networking efforts and follow-up. What is the calendar of events, themes, breaks you need to be aware of now?

GENERATE a BDP (Basic Discipleship Plan). What parts of your Discipleship Journey need to be developed? How will you invite your people to take their next step on their journey?
