Martin R Straub began working hands on with his father at a young age. Mr. Straub began his career in junior high as a assistant to his father in the drilling and pump installation business. By the time he was in high school, Mr. Straub was a principal person in the company's excavation endeavors. By the age of 21, Mr. Straub had acquired his CDL license. In 1988, he acquired his septic and wastewater installers' license. In 1991, Mr. Straub acquired his Texas Master Pump Installer's license. Mr. Straub worked in the family endeavor until it was incorporated in 1998. As a result of diligence and cooperation, he was made Vice-President of the newly formed Straub Corporation. Within two years of incorporation, Mr. Straub obtained a Master Drillers License in Texas and a Master Drillers License in New Mexico. Through every endeavor, Martin has been a team player and top performer. In 1999, he was elected Drilling Supervisor of the Corporation and in 2003; he became head of the drilling apprentice program. His work ethic is impeccable and he has consistently led the drilling sales team since 2001.
