

# Psalm 69.1-4 NLT

Music by Seth Bjornrud and Nicholas Jackson

Em            C            G            D  
Save me, O God, for the waters are up to my neck  
Em            C            G            D  
Save me, O God, for the waters are up to my neck

Em                    C                    G                    D  
Deeper and deeper, deeper and deeper I sink into the mire  
Em                    C                    G                    D  
I can't find a foothold I'm in deep water the floods overwhelm me

## Refrain

Em                    C                    G                    D  
I am exhausted from crying for help my throat is parched  
Em                    C                    G                    D  
My eyes are swollen, with weeping waiting for my God to help me

## Refrain

Em                    C                    G                    D  
Those who hate me without cause outnumber the hairs on my head  
Em                    C                    G                    D  
Many enemies try to destroy me with lies, demanding that I give  
back what I didn't steal

## Refrain
