

Series: ONE

Title: Goal

Text: Ephesians 5:21-33

Why This Series

1. Everyone is affected by marriage.
2. Our culture is having tremendous dialogue about marriage.
3. Christians need reminders about the wonder and work of marriage.

Remember

Marriage is a key description of the relationship Jesus has with the church.

Key Idea for Today

The goal is godliness.

- God designed everything to point to Him.
- Marriage just may be the best environment for spiritual growth.

Game Changer

When marriage starts being about godliness, it stops being about everything else.

Marriage with the Goal As the Focus

1. Operate by covenant, not by contract.
2. Assume that transformation is challenging.
3. Embrace your role.
4. Listen to spouse's voice.
