

## 2013 CSF SHARES

Community-supported fisheries are modeled after the well-known community-supported agriculture (CSA). Participants receive a steady supply of seafood throughout the season in exchange for an up-front payment that helps fishermen finance their operations for the year in advance. The rates below are for a 12-week subscription.

	<i>Half-share</i>	<i>Full-share</i>
<b>Contents</b>	~1 pounds of filleted fish, or equivalent value of lobster or shellfish	~2 pounds of filleted fish, or an equivalent value of lobster or shellfish
<b>Servings*</b>	2	4
<b>Price</b>	\$144	\$288

\*based on a 1/2 pound (8 oz) serving.

## SPECIES

CSF participants will have their choice of seafood at each market depending on that week's catch. Species may include:

Fluke	Tuna	Steamers
Black sea bass	Mahi mahi	Littlenecks
Striped bass	Monkfish	Scallops
Blue fish	Scup	Oysters
Pollock	Skate wings	Blackfish
Cod	Lobsters	Weakfish
Swordfish	Crabs	Squid

# 2013 CSF

**(Community Supported Fishery)**

THE LOCAL CATCH, Inc.

## OUR STORY

The Local Catch was founded in 2010 by Captain Richard Cook and his wife Ann. The Cooks were inspired by the philosophy that selling seafood locally improves our community's relationship with the food we eat.

At The Local Catch, our top priority is quality. Rich, who has been fishing for over 30 years, knows Rhode Island seafood; where to catch it, when it's in season, and how to keep it at its freshest from **ocean-to-table**. We market seafood we catch on our own boat, the F/V Sandra Lynn, as well as seafood caught by our fishermen friends.

## TERMS & CONDITIONS

1. By participating in TLC's Summer 2013 CSF, you will receive fresh local seafood once per week at one of our several pick-up locations. (See back panel for current markets.)
2. A spending bonus is added onto your weekly allowance. Half-shares will receive a \$1 bonus, totaling \$13 each week. Full shares will receive a \$2 bonus, totaling \$26 each week.
3. Pick-up is available only at the time and place that you indicate on your order form. If you know in advance that you will be unable to pick up your share for a particular week, please contact us at (401)-284-1195 or at [buyfish@thelocalcatch.com](mailto:buyfish@thelocalcatch.com) at least 48 hours in advance of your scheduled pick-up.
4. If you are unable to personally pick up your share on a particular week, you may ask a friend or family member to pick it up. They must give us your name and sign off on our pick-up sheet, which will be signed each week by all CSF participants upon receiving their weekly share.
5. We strongly recommend that you pick up your share within the first two hours of a given market. This ensures maximum choice and availability. If you do not pick up your share by the end of the market and have not notified us at least 48 hours in advance, your share for that week is forfeited.
6. In the event of extreme weather that prevents all of our participating boats from going out in a particular week or if markets are canceled, we will extend the CSF season by one week or double up on a subsequent week's share, at our discretion.

7. The 2013 CSF Season runs from June 1 - September 30. CSF shares provide 12 weeks of fresh seafood. Pick-up dates can be changed with 48 hours advance notice by contacting us at (401)-284-1195 or at [buyfish@thelocalcatch.com](mailto:buyfish@thelocalcatch.com).
8. We commit ourselves to delivering our seafood to you in the freshest state possible. Please ensure that it arrives at your home in the same condition by bringing a cooler or insulated bag with you when picking up your share. We will provide ice for the transport home. Please note, while we do our best, we cannot guarantee every filet is boneless.
9. We are not currently able to offer fresh shellfish for sale at all market pickup locations; however, preorders for shellfish on any given pickup week may be placed with at least 48 hours notice of your scheduled pickup. Email shellfish preorders to [buyfish@thelocalcatch.com](mailto:buyfish@thelocalcatch.com).
10. The Local Catch, Inc CSF shares are non-refundable.

Sign up for a CSF contract at any of our farmers markets, or visit [www.thelocalcatch.com](http://www.thelocalcatch.com) to print a mailable form or order your CSF contract through our secure web checkout.

Payment accepted in cash, check, and credit.
