

XSPC Razor Waterblock Compatibility List 25th May 2013

The lists below are provided as a guide and provide no guarantee of compatibility. This information was compiled from visual checks and confirmations from customers. Video card manufacturers can change the layout of the card without warning and without any change to the model name, or product code.

If you find any conflicts please email us so we can update the list.

<http://www.xs-pc.com/support>

Please note: Cards with backplates may require longer screws

Fits from visual check
