

FRIENDSHIP BLESSINGS

THINKING OF YOU
Philemon 1:4

A timeless bouquet of gardenias, bell flowers, and gladiolas are all superimposed on a delicate background of a cross. A fresh expression saying "I'm thinking of you!".

In my prayers today I am thinking of you.

DEAR FRIEND
Proverbs 17:17

The small Starfish enjoys the journey with her friend the Sand Dollar who has picked up a few sea-urchin-like lumps along life's journey. Together they see the footsteps left in the sand at the edge of the beach remembering days together. And of days alone searching for God's hand in the lumps endured along the way.

MOTHER & CHILD

HEART FOR HOME
Psalms 31:28

Her children indeed rise up and call her blessed. Her beauty and her faith in God above; Her persistence and her patience; Her encouragement and her unfailing love:

As the hardy and regal iris in her garden Returns each year in flood and in drought, May my constant love for her be expressed With this open and delicate heart

MOTHER'S HEART

This heart illustrating the entrance to a quieter time and place... Mother's garden. Between the picket fence at just the right angle, her garden bench invites you to walk through the trellis and into a time of visiting with Mother. The stone walkway curves behind the picket fence and vanishes deep into the garden where conversations fade into pleasant memories of time spent with Mother.

EMBRACING LOVE
III John 1:4

As a mother to her child, and as Christ to his chosen.

Blessed is the mother who teaches her children God's word, and nourishes them with an Embracing Love.

JOURNEY TOGETHER CROSS
Ecclesiastes 4:9a

Celebrate two souls joined in the journey of life. Together, and yet distinctly different. Waves and ripples wash across them, but they are secure with one another, fixed at the center of the cross.

BELOVED
I John 4:11

Reflecting two sea-horses, tails entwined as they are often observed in coral reefs, clinging to one another and placed against the backdrop of a cross in the shape of splashing waves. Two souls, caring for one another. Two friends sharing life together.

SAIL ON

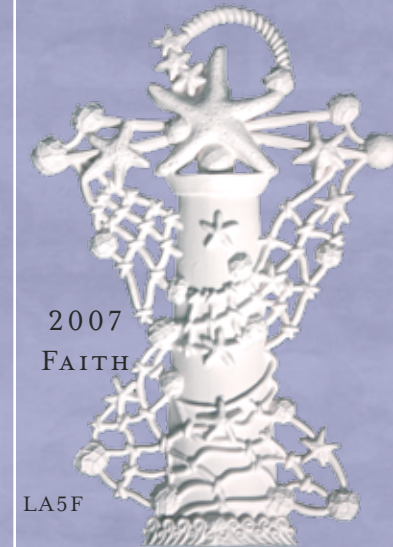

Swept away by the unseen wind. Pushed along by the unseen tide. Moving forward over unseen obstacles. Sailing onward, this design encourages us to "sail on"; sail on in the relationships you enjoy, sail on with the decisions you've made and seek the gentle breeze of His guiding hand through it all.
