Del Pacifico at Esterillos announces new vacation rental management company, Sun*Pacific Vacations. The company will manage the vacation rental demand of growing community rising on the central pacific coast of Costa Rica.

Esterillos Este, Costa Rica (PRWEB) August 2, 2007

Del Pacifico at Esterillos has announced the formation of a new vacation rental management company, Sun*Pacific Vacations, said Barry Strudwick, co-founder of Del Pacifico at Esterillos.

In making the announcement, Mr. Strudwick said, "Now that we have 70 condos and homes occupied by owners looking to rent out their properties when they are not in use, the demand to manage the process has grown to the point that we saw a need for a separate company to handle it."

There are a wide range of options available including lofts and one and two bedrooms right in the town center, La Prada. In addition, two and three bedroom condos, custom homes and villas with private pools are also available as rentals to vacationers looking to experience a "seaside town with a tropical soul," says Strudwick.

Nightly rates range from \$150 per night for a loft to \$750 per night for a private villa with a view of the ocean and a private pool.

Rental Options:

The Lofts At La Prada:

Above the shops at La Prada, Del Pacifico's town center is a number of condos and lofts all with different designs and configurations. The lofts offer 1 to 3 bedroom options all with a kitchenette. Within walking distance to shops and restaurants and just minutes from the beach. La Prada is an ideal "base of operations" for fully exploring the natural wonders of Costa Rica's Central Pacifico Coast.

Spectacular ocean views and sea breezes from the balconies of these spacious and elegant residences. Created for the family that wants to entertain in luxury while enjoying Del Pacifico's magnificent natural setting offers, each 3BR unit has three full baths, a fully appointed kitchen and a washer and dryer. Each offers Old-World craftsmanship with the latest modern convenience. Visitors have full access to the concierge services and swimming pool.

Villas Del Pacifico:

Along the ridge line on the southern side of the Del Pacifico property, are the Custom Villas. The private residences have breathtaking views of the Pacific Coast as well the Rainforest. The villas have 3-4 Bedrooms, a state of the art gourmet kitchen, an infinity pool and rooftop balcony, and offer spectacular sunsets from these custom designed villas.
