

Market Colors Product Launch & Benefit Show

SEPTEMBER 9, 2012

We are having our Market Colors Product Launch & Benefit Show at the new Redlight Redlight Beer Parlour (opening in late August) in Orlando on September 9th, 2012. The new Redlight Redlight is located at 2810 Corrine Dr. Orlando, FL 32803. We will have performances from Chris Burns, The Silver Fleece, Tigerweather, Civil Parish, and Rubox. The event is open to all ages. This will be the first time people will be able to see, touch, and buy Market Colors products. The cost of entry will be \$5 and all proceeds will be reinvested toward supporting the craftsmen. Our goal is to raise both awareness and funding to best support them. We will also have Food Trucks and corporate sponsors at our event. The following day, September 10th, everything will be available for sale on the Market Colors website: www.marketcolors.org.
