

Festive Cheese Ball

One block of cream cheese

½ cup of toasted and chopped pistachios

1/2 cup of pomegranate seeds

½ jar of Macala Pomegranate Jelly

Whip together the softened cheese, nuts and seeds.

Form a ball using your hands and plate the ball.

Refrigerate until firm.

Warm the jelly in the microwave a little bit just to make it so that you can pour it.

Drizzle it over the cheese ball and serve with water crackers.
