“Do not conform any longer to the pattern of this world, but be transformed by the renewing of your mind.”

Romans 12:2

“The Christian story provides us with... a set of lenses, not something for us to look *at*, but for us to look *through*.”

Lesslie Newbigin

“Real science arose only once: in Europe. China, Islam, India, and ancient Greece and Rome each had a highly developed alchemy. But only in Europe did alchemy develop into chemistry...”

“By the same token, many societies developed elaborate systems of astrology, but only in Europe did astrology lead to astronomy. Why? Again, the answer has to do with the image of God.”

– Rodney Stark

“Each person of the Trinity loves, adores, defers to, and rejoices in the others. That creates a dynamic, pulsating dance of joy and love.”

- Tim Keller

“...the only way we, who have been created in his image, can have this same joy [that God has in himself], is if we center our entire lives around him instead of ourselves.”

– Tim Keller
