GEARED TO GOLF

We would like to take this opportunity to introduce you to The Geared to Golf Performance Center, a partnership-owned performance center located at the Lakeridge and Whispering Ridge Golf Courses. The Geared to Golf Performance Center has been designed to give golf enthusiasts and new players to the game the opportunity to improve their development and reap measurable results. We are currently in the design stage of a 2000 square foot indoor training centre to be completed November 30, 2014, that provides high level PGA of Canada Coaching programs for players of all ages.
