# Winter open studios at Craft Central

*2 buildings; 90 designers; the ultimate shopping treat*

## The event

Avoid the high street crowds and meet over 90 designer makers across Craft Central's two fascinating buildings.

Prepare to be tempted by exceptional craft and design; from fashion, jewellery, and accessories, to contemporary ceramics, products for the home, and bespoke commissions. Whether you've got an hour to pop in or a whole day to explore, mingle with the makers in the studios where they work their magic. There's lots to see and one ticket allows unlimited access over the 4 days, including the launch event on Thursday and Friday's late night shopping!
