Seeking Communications Committee Chairperson

We are seeking a new Communications Chairperson. This individual will lead the Communications Committee and work closely with all other Committee Chairpersons, the Manager and Resident Board Members to provide association facts and neighborly news in a variety of formats. Responsibilities include managing and updating content for the Mira Lagos Messenger, eNews, website and social media as well as organizing and hosting bi-annual Town Hall Socials and bi-monthly Committee Chair meetings. This volunteer should have strong written and verbal communication skills, the ability to write clearly, proof-read, edit, verify facts and be confident using email, Word, Excel, Publisher, Photoshop (or equivalent), and the internet.

If you have a desire to serve and at least 12 hours per month to dedicate to your community, please contact General Manager Stacy McGrath at manager@miralagoshoa.com. You may continue to submit newsletter content to communications@miralagoshoa.com.

This Month's Tip on Preparing to Sell

When getting ready to sell, pack up your closets and cabinets and clean them out of items you don't frequently use. Store these items in plastic bins in your garage. Buyers will be more likely to accept a full but organized garage than a cluttered house. Having your home less cluttered will make it look larger and more appealing to buyers, and it will help you keep it neat & clean and ready to show. When your home finally sells, you will already be partially packed.

Mira Lagos Monthly Real Estate Market Update

Every month, we try to answer the question "how is the real estate market?" by providing our neighbors in Mira Lagos with some local market statistics. While each individual property is unique, this is the overall picture of existing home sales in the 75054 market compared to the same time last year. If you would like a personalized market analysis of your home, or if you just have a question about a property that is for sale or recently sold, give us a call.

Market Metrics: Last Month vs. 1 Year Ago

- ▼ The median sales price decreased by 14% to \$212,000 due to sales of smaller homes
- ▲ The average list price increased 4.7% to \$275,000
- ▲ The average price per sq. foot of homes sold increased by 8.8% to \$88 per sq. foot
- ▼ The average days on market for homes for sale has decreased by 42.9% to 51 days
- ▼ The percent of list price that homes are selling for is down 0.3% to 97.6% of the original list price
- ▲ The number of months' supply of homes for sale is up by 101.9% to a 4.8 months supply
- ▲ The number of homes for sale in the area has increased by 70.4% to 92 homes
- ▼ The number of homes listed last month for sale has decreased by 2.6% to 38 new listings
- ▼ The number of pending sales has decreased by 69.0% to just 13 homes
- ▼ The number of existing homes sold in the last month decreased by 60.7% to 11 homes

Vacation Watch Service From your Grand Prairie Police Department

Before you travel this summer, test and set your alarm, make arrangements for your newspaper and mail to keep from piling up, schedule lawn service and request Vacation Watch. Put your mind at ease knowing that your home will be checked by uniformed police officers or Citizens On Patrol while you're away.

To request the service, visit the Public Safety Building at 1525 Arkansas Lane or fill out the online form at www.gptx.org/Vacation-Watch. Your Grand Prairie Police Department will provide officers and Citizens On Patrol, when time and call loads permit, to check on residences that have requested the Vacation Watch service.

The city of Grand Prairie cannot guarantee that this will keep your home from being damaged or broken into. Be sure to notify the police if you return earlier than scheduled.

Mira Lagos Luau/ BBQ Cook-Off 2014

“Wow!”, “Wonderful!”, “So much fun!”, “What a great event!”, “Pleasantly overwhelming for us as contestants!”, and “Huge success!” are just a few of the compliments expressed by residents, judges and contestants regarding the **Mira Lagos Luau and BBQ Cook-off 2014!** Mira Lagos Homeowners truly came together on Saturday, May 17, 2014 in record numbers with more than 600 residents, family, and friends enjoying a day filled with laughter, music, BBQ, and family entertainment.

Families were greeted by the **Mira Lagos Social Committee** with Hawaiian leis for an evening of events that included **Polynesian Dancers** who entertained us with a special Fire Dance presentation and got everyone from 3-100 years young dancing to Hawaiian/Polynesian music by the pool. **DJ Shon Daniels** served as the Master of Ceremony and kept all

entertained with music from all genres. Those in attendance also enjoyed a fabulous meal served by **Christopher’s Smokehouse BBQ** and cool treats included **Maui Wowi -Dipping Dots and Smoothies.**

The main attraction of the day went to **Mira Lagos’ Luau/BBQ Cook-Off.** Our very own “**Grillmasters**” showcased the art of grilling and “smoking” some spectacular cuisine. This was serious business for all of our contestants: Jason Rabinowitz, Kevin Stallings, Brandon Jenkins, Phil Taylor, Ben Mason, Joshua Spare, and Charles Gurley who were judged by our distinguished **Councilman Jeff Wooldridge**, along with Mr. Bakhari Thornton, City of Coppell Recreation, and Mira Lagos residents Mr. Leland Paul, Mr. Achal Modi and Mr. Michael Joffrion. Top three winners received

cash awards and grilling spatula. Our remaining contestants were awarded gift cards from Lowes and grilling spatula.

First Place -Team Stallings/Jenkins with \$150 and an engraved Bobby Flay grilling spatula
 Second Place-Team Taylor with \$125
 Third Place-Charles Gurley for \$100.

A special thanks to the **ML HOA Manager, Stacy McGrath**, and of course the fantastic **Mira Lagos Social Committee**, for the many volunteer hours each member provided, without hesitation, to ensure our community enjoyed a spectacular day with neighbors, family and friends. Aloha!

NEIGHBORS HELPING NEIGHBORS

Photo and written by:

Shery Robie – Mira Lagos Homeowner

I have noticed several remarks about positive things going on within Mira Lagos posted on Nextdoor. I would love to see some positive articles posted in our newsletter for those folks that do not go on Nextdoor, or do not have access. I'd love to start it off with a briefing on the latest (of many) good neighbor, positive actions we received, with the suggestion that others contribute their stories. I recently acquired a dining set from Nextdoor. When I saw it, I loved it. Only problems - my husband and I are not able to do very heavy lifting and we had no truck to get it home in! The folks we purchased it from helped get the table and chairs to our house, but the china cabinet was a problem because of size and weight.

I went on Nextdoor for short distance movers and found two recommended. Checked the comments and found adverse comments. Then I called Stacy to see if there was any sort of listing in the HOA Office. Answer was no, BUT then Stacy said she'd check with some of the folks that had helped her out. She called back shortly and had it all set up with a truck and two strong bodies! Then, we had to re-

schedule because of a sick baby at the sellers house. Rescheduled for Saturday morning and every thing went great. Josh Gleaton, Brian Rea, and Kevin Brumbalow loaded the cabinet into a truck and delivered it to our dining room. They also reinstalled all shelves and drawers!

What a blessing! It was our first time meeting any of these men, but I hope it won't be our last because they sure fill the bill of being GREAT NEIGHBORS!! Thank you Stacy, Josh, Brian, and Kevin, and Karina! Kevin and Karina helped a bunch with the table and chairs!

Mira Lagos HOA

Key Components for Harmonious Living

Driveways - The driveway portion of a lot may not be used for any purpose that interferes with its ongoing use as a route of vehicular access to the garage. Driveways may not be used for storage purposes, including boats or trailers or inoperable vehicles, or for the repair/restoration of vehicles without Board approval.

Shared Fencing - A fence shared by 2 adjoining lots is hereafter referred to as a "Shared Fence". If the Shared Fence is damaged or destroyed from any cause, the owner of either lot may repair or rebuild to its previous condition. The owners of the adjoining lots share equally the costs of repair, reconstruction, or replacement of the Shared Fence. If an owner fails or refuses to pay his share of the cost of repair of the Shared Fence, the owner

advancing the monies has a right to file a claim of lien against the other owner. (The HOA has no involvement in this action or suit.) The maintenance of retaining walls between Homeowner Lots and Common Area's are the sole responsibility of the Owner of the House Lot.

Fences - Fences must be made of masonry, wood or other approved material. The height of fences must be six (6) feet. Fences may not be constructed between a dwellings front building line and the street. Wood fences may be left in a natural state, or stained with the approved color of Rustic Oak, made by Standard Paints. Any other color would need to be approved by the ACC. Wood fences may not be painted. The use of chain link fencing is prohibited. Iron fences must be maintained along the greenbelt by the individual homeowner.

Landscaping - Each owner, at the owner's expense, must maintain the yards on his/her lot at a level, to a standard, and with an appearance that is commensurate with the neighborhood. Specifically, each owner shall:

- Maintain an attractive ground cover or lawn on all yards visible from a street, including but not limited to regular mowing.
- Edge the street curbs on regular intervals.
- Prevent lawn weeds or grass from exceeding 6 inches in height.
- Maintain an attractive appearance for shrubs

and trees visible from a street, including but not limited to the removal and/or replacement of dead landscaping.

Sheds - Sheds, gazebos and playhouses shall be of the same color, material and architectural style as the main residence or of color, material, and style that is generally recognized as complementary to that of the main residence. These structures may not be located in front yards or in unfenced portions of side yards. All structures must have ACC approval before construction and/or installation.

Trash - Curbside trash and recycling may be placed in designated areas after 8:00 PM on the evening before pick-up day until dusk on the day of pick-up. At all other times, trash must be kept inside the house, garage, or fenced yard and may not be visible from a street or another lot.

Window Treatments - All window treatments within the dwelling that are visible from the street or another dwelling must be maintained in good condition and must not detract from the appearance of the Property.

This in no way represents the entire Rules & Regulations of your Declaration of Covenants, Conditions & Restrictions. A full set of your governing documents can be obtained using FSR Connect available at www.miralagoshoa.com.

Pet Waste Receptacles

Tips resource: www.gptx.org

Pet waste is a health hazard and water pollutant. To help responsible pet-owners in our community, pet waste disposal cans have been installed in high traffic walking areas for your convenience. It's easy to protect our drinking water and keep our green spaces beautiful and safe for all residents, by knowing a few things:

- Pick up your pet waste. It is not fertilizer.
- Carry disposable bags while you are walking your dog to pick up and dispose of waste in (our new receptacles or) the trash.
- Flush your pet's waste down the toilet to be treated.
- Bury pet waste in the yard, at least 6 inches deep and cover with soil. It will decompose slowly. Bury the waste in several different locations in the yard and keep it away from vegetable gardens.

Pool Cards

Pool season is here and pool cards are available from the General Manager. You may pick up or purchase cards between 10:00 am and 2:00 pm Tuesday through Saturday. For your convenience, appointments can also be made by contacting

Stacy McGrath at manager@miralagoshoa.com. One pool card will be issued per residence. Pool cards remain valid for association members whose account is free of violations. Additional or replacement cards are \$25 each.

During these hot summer days potted plants need extra water to stay happy.

PID Adds Trees in Grand Peninsula Drive Medians

The beautification project approved by the Peninsula PID Board took place mid-May, as planned. Trees and flowering plants now decorate the median along Grand Peninsula Drive starting South of England at South Camino Lagos and continue to approximately Bahia north of England. A second phase of median beautification is planned for 2015.

The Peninsula PID Annual Meeting and Election of Advisory Board Members takes place every September and will be held on Wednesday, September 10, 2014 at a peninsula MISD school still to be determined.

For more information on the PID or their upcoming annual meeting, please visit www.gptx.org.

Gardening Tips for the Southwest Region for July

- The best time to do gardening chores is in the early morning or late in the day after supper; that way, you can avoid the heat of the day.
- Finish pruning spring-flowering shrubs by midmonth.
- Be alert for summer drought conditions. Be sure to water your flower beds and vegetable gardens deeply two to three times a week.
- Mulching is an important job to keep up with in July. Organic mulches break down over time, so be sure to check the mulch around your plants. Keep a 3- to 4-inch layer of mulch around your plants to retain moisture. Also keep a thick layer of mulch around the roots of trees and shrubs.
- During these warmer months, raise the mowing height to 2.5 to 3 inches. Water your lawn with 1 inch of water per week to ensure healthy growth.
- Late this month, plant iris and daylilies. Prepare soil now for fall planting.
- Dig up and divide crowded spring-blooming bulbs whenever they are dormant.
- Generally, trees and shrubs need deep watering with a hose every 10 to 14 days to a depth of 3 inches at the roots. Do not fertilize.
- Stop fertilizing trees and shrubs so that they can start preparing for winter dormancy.
- Remove any faded or dead flowers to encourage new growth.
- Remove annual flowers that have finished flowering.
- Feed your roses at midmonth to encourage more flowering.
- Water your containers twice a day. Apply a slow-release fertilizer.
- If white crust develops in containers, it's salt buildup; remove and water heavily to flush out salts.

Warmack Library Showcases Summer Fashions In Free Show

The Warmack Branch Library presents a Summer Fashion Show of fashion tips and trends, presented by Chico's of Lincoln Square, Arlington. The show will be held Saturday, July 12th at 2 p.m. The Warmack Branch is located at 760 Bardin Road, in Grand Prairie. A \$50 gift certificate to Chico's will be given to the winner of a fashion trivia contest at the show. Coupons and catalogs for Chico's will also be given away.

This program is part of "Literary Elements", an adult summer reading program. Participants of this program earn the chance to win a Kindle Fire. A grand prize winner will be drawn for each of the three libraries at the end of the summer.
