Creative and strategic hub in London

Nordic hub

ABOUT THE COMPANY | The Nordic Hub is the new exclusive community in London for premium Nordic lifestyle brands and services joined together under one roof. A collaborative office full of talented people with extensive knowledge, contacts and creative minds that also offers full service communications, from creative solutions to flawless execution.

NH PRODUCTS & SERVICES | Nordic Hub works in a collaborative way across a range of platforms to increase your brand awareness in the competitive London market. All budgets are optimised to reach the relevant audience in a premium environment.

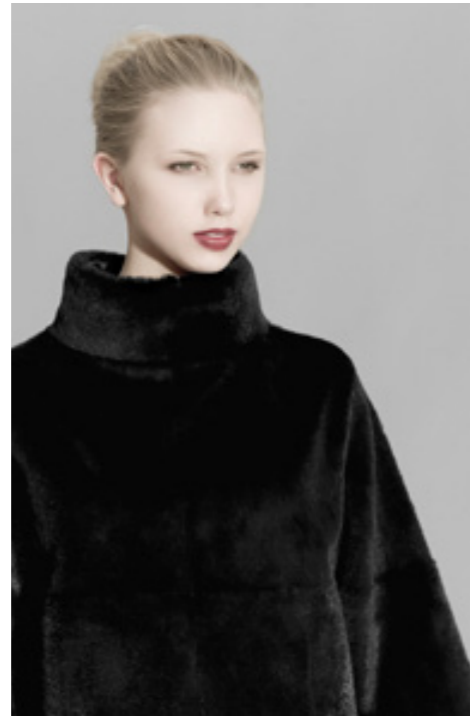

The office

The Nordic Hub office is a happy place, a meeting point with a creative atmosphere. It's your space in London where all services are gathered under one roof.

Here, you and your company can access all the facilities and services offered by the network. These include desk space, meeting rooms, conference facilities, telephones, printers and IT support.

This office is your showroom, photo studio or event venue. It can also be your temporary desk while visiting London for business, or simply the best place to have a coffee and chat with creative souls. We want the Nordic Hub to be a creative hostess, a friend and a source of inspiration!

The areas we cover;
our services and our
community:

Lifestyle
Fashion
PR

Office space & showroom
Events
Network
Branding
Production

Who we are

Anna Crona

CEO Stopp UK

Anna's experience includes 25 successful years at the Swedish brand IKEA, which includes her time as the Marketing Director UK & Ireland after being transferred over to London in 2006.

While building one of the world's most recognized and admired brands, Anna fine-tuned her entrepreneurial skills across all major business disciplines with creativity, energy and positive attitude. As the new CEO of Stopp UK, Anna not only has extensive marketing experience and expertise, but is also focused on delivering great results with passion.

Maria Tamander

Executive Producer Stopp UK

After attending NYU Film School in New York, Maria founded mod:film, an international production company. After moving to London she ran Milkyway Productions, collaborating with high-end beauty and fashion clients on international print and television advertising campaigns. At the same time, Maria used her entrepreneurial vision to help establish ACNE Film and the Katy Barker talent agency. She was also an executive producer for Mario Testino & H+H and the founding partner at JIPEL Ltd. As a natural development, Maria then founded Stopp London and has also launched a bar, concierge apartments and The Nordic Hub.

Mari Levin Narciso

Director & Owner Stil London Ltd
& Äva London Ltd

Swedish-born Mari has an international background in fashion, food and banking. She started her career as a top gourmet chef in high profile restaurants in Stockholm and New York. She then became a respected freelance food stylist for a number of Swedish advertising companies and magazines. Over the past few years, she worked as a banker in Zurich before deciding to relocate to London and pursue her dream job in fashion. She has since been involved in several fashion projects and start-ups, both as owner and as consultant. She founded Alva boutique in 2009, selling Scandinavian fashion brands to an exclusive client base in Chelsea, London. The business was expanded online in 2012. She provides consultancy to the Alyzco boutique in Geneva and is also actively involved in distributing Swedish brands such as Filippa K, ByMalina, and Misst in the UK market. She is currently involved in setting up The Nordic Hub London.

Sanna Buckhøj

Director & Owner Verybuckhoj Ltd

The graphic designer, half Danish half Swedish, has one foot in the fashion world and one in advertising. Sanna is a creative soul specialising in branding and visual identity. She sharpens your brand's profile, finds new ways to present your business, and helps to create a graphic identity from scratch. With a background at Honesty in Stockholm, and more recently at Seraphine in London, she has worked on several successful re-branding projects and campaigns, such as Scandic Hotels, Fisherman's Friend and Pepsi. Sanna brings a high standard of visual strategy, design and branding knowledge to the team. With her passion and high attention to detail, she can lead your brand's expression in the direction you wish.
