Ministerial statements

Ministry of Defense

“Based on the results of the Supreme Audit Office control at the Ministry of Defense of the Slovak Republic during 2009, 2010 and 2011, we did not implement any sanctions toward our employees.”

Ministry of Foreign and European Affairs

“Sanctions towards ministerial employees during 2009-2011 were not implemented, because SAO findings were not sufficient for sanctioning of employees. Instead, ministry implemented actions dedicated to removal of failures identified by particular controls. They were implemented in required term and scale.”

Ministry of Labour, Social Affairs and Family

“We did not implement any sanctions (or requirements for compensation) toward our employees based on the SAO findings, during years 2009-2011.”

Ministry of Interior

“Department of Legal Services of Legislation and External Relations Section within Ministry of Interior of the Slovak Republic did not reclaimed any compensations from its employees related to the SAO controls during 2009-2011.”

Ministry of Health

“Based on the SAO findings, we did not implement any sanctions toward employees of Ministry of Health during years 2009-2011.”
