

Speaker & Skype Request Form

Dear Friend of Water for South Sudan:

Thank you for requesting a visit or Skype call with our organization. While we make every effort to accommodate requests, we are a small organization, and may not be able to fulfill every request.

Our presentation video is available for \$6, or free to groups who are planning fundraising events. The DVD contains 21 video presentations for many different needs, and can be ordered at www.waterforsouthsudan.org/wfss-dvd. Additionally, there is a wealth of information and videos on our website, including the documentary *Just Add Water*, about Salva and WFSS, found at www.waterforsouthsudan.org/just-add-water/.

Personal visits are generally for organizations in the greater Rochester, NY area. Skype presentations are available for those groups outside of this area. Skype presentations are generally 30 minutes in length which include a brief presentation followed by time for questions from the audience. In-person presentations run approximately 40 minutes, which includes time for questions.

Please be advised that Salva Dut now lives full-time in Africa and returns to the US just once or twice per year. We regret that Salva is unable to make individual visits though very occasional exceptions may be made for large or extensive fundraising efforts. Visits by Salva may be subject to honoraria fees, similar to speakers from other organizations.

To assist in our planning, please complete the following request form and return to us at info@waterforsouthsudan.org or fax to our office at 585-383-0970.

Sincerely,

Marie Cinti
