SPECIFICATIONS/REQUIREMENTS

REQUIREMENTS/INTENT

Tampa Sports Authority is interested in selecting a provider of merchant services for our (3) golf course facilities Rogers Park, Rocky Point and Babe Zaharias.

The selected Contractor must be able to provide a statement describing your transactions encryption process. **Explicitly state if your company is PCI compliant. All transactions for the Authority's facilities must be PCI Compliant.**

The Authority utilizes the EZ Links System and all processing must be encrypted from end to end. This means the transaction is encrypted at the point of entry and must remain encrypted as it passes through the EZ Links System and is in an encrypted format as it is received by the credit card processor. Transactions should only be decrypted after it is fully received by the credit card processor.

The Authority may be interested in utilizing a "Gateway Processor". Currently EZ Links is able to utilize the Gateway Processor "Element". The following platforms are supported using the EZLinks / Element integrated solution:

- 1) First Data (authorize on Nashville platform & settle on North platform)
- 2) Global East
- 3) Paymentech
- 4) TSYS
- 5) Vantiv

TSA is requiring you provide a cost structure for your use of the "Gateway Processor" "Element", (if applicable). Please note that the Authority will not be responsible for any/your fees as associated with the use of "Element" or a "Gateway Processor".

The Authority is requiring the Contractor to provide, **at no cost to the Authority**, Forward Facing Card Swipes at each location.

<u>Location:</u>	<u>Quantity of Point of Sales On-Site:</u>
1) Rocky Point Golf Course	3 Each
2) Babe Zaharias Golf Course	4 Each
3) Rogers Park Golf Course	3 Each

TSA is requiring you to provide the following account types or like functionality that is certified on the EZLinks software:

- 1) E-Commerce Account – Web Reservation Transactions
- 2) EFT Account – Automated billing
