# LUNCH BREAK WORKSHOPS

Participants will have the opportunity to pick up a sack lunch and head to a workshop for an hour of intense learning.

Please select ONE workshop in advance to assist in planning.

*(NOTE: If a workshop has less than four registrants, the workshop may be cancelled.)*

---

**Using Your Gifts to Grow Small Groups** *God created all of us differently. Instead of getting frustrated by this, celebrate how God created you and learn how to use your gifts to grow your small group.*  
Nathan Yocum & Bryan Blair, First Baptist Church, Everett

---

**Churches that Plant Churches** *The case will be made that without a commitment to church planting the future for the church in America does not look good. What is required by a church to shift to a church planting paradigm?*  
Daniel Espy, The Bridge, Snohomish

---

**Connecting with Kids** *Children and youth are important to churches, yet there is a perception that only large churches can have ministries that will connect to children and youth. That doesn't have to be the case. Come and discover some practical tips on how the local church, regardless of size, can connect with children and youth.*  
Eric Malamma, First Baptist Church, Anacortes

---

**Discipleship Development Today** *Developing followers of Jesus one person at a time. We'll look at effective coaching skills to seeing people into ministry, leaders develop to their highest potential and how to build "high impact" ministry teams.*  
Brian Harpell, First Baptist Church, Everett

---

**How Are We Going to Pay for That?** *Resourcing the big vision of a healthy missional church by joyous strategies that inspire a "culture of generosity"!*  
Terry Oliver, Community Church, Union

---

**Going Up? Or Going Down?** *Is your church growing, or slowly declining? The difference is huge. We will look at practical ideas for jump-starting growth and renewal through the study of church lifecycles.*  
Charles Revis, ABC of the Northwest

---

**Modern Worship for the Small and/or Growing Church** *Nothing can be more challenging than attempting excellent worship music in a smaller congregation. We will cover practical steps for developing a worship team from zero to awesome along with some practical ideas for what to do when musicians are in short supply.*  
Chester Gross, CityView Church, Renton
