

Aarhus, November 25th 2013.

On behalf of the NSGO steering committee I have the pleasure inviting for abstracts* for the annual NSGO meeting in Iceland, Friday, June 13th 2014.

The mentioned below session presents ph. d. studies from the Nordic countries. With the intention of enlarging the co-operation and research between the Nordic ph. d. students we hope that this session will be interesting for our young colleagues!

We call for abstract presenting YOUR study at this session of the annual meeting! Looking forward meeting you in Iceland, please mail your abstract no later than March 1st 2014 to: jab@dadlnet.dk

One abstract from each country will be selected for oral presentation at the session below. All submitted abstracts will be published as part of the meeting program. NSGO will not be able to reimburse congress fee or travel expenses for the ph. d. students!

I. NSGO network for PhD students

Moderator: Jan Blaakaer and Maarit Vuento
