YOUR HOME

As long as you own your own home, you are entrenched in a residential fortress against the vagaries of Fate. Your security is absolute and permanent.

*I build homes priced from \$5,000 to \$50,000—
to fit the owner's income.*

*Tell me your idea of a home and I will plan,
finance and build it for you to your complete
satisfaction.*

Live in a Carl Hansen Home!
