Come, listen to The Spark and hear George Snyman speak about his life's work caring and advocating for the most vulnerable, destitute and orphaned victims of AIDS in Africa.

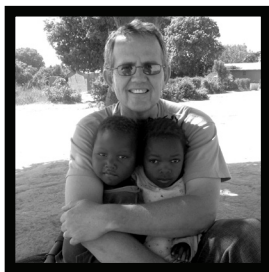

Friday, November 5th, 7pm
Glenview Community Church, 1000 Elm Street,
Glenview, 60025
This is a free event open to the public.

George Snyman is the founder of Hands at Work in Africa—a movement born in South Africa now spread across 8 African nations with the vision of people worldwide, taking responsibility to care for the orphaned, vulnerable and dying in Africa.

African communities are mobilized to unite and reach out, focused on providing access to food, education, and basic health care to the most vulnerable children in their community. But they can't do it alone, they need our help.
