# CELEB★TIPS

**WE'VE GOT LOTS OF AMAZING CELEBRITIES TO SEE THIS WEEKEND!  
HERE ARE SOME HELPFUL TIPS SO YOU DON'T STAMMER OR GO SLACK JAWED IN THEIR AWESOME PRESENCE.**

- Treat him/her like you would treat any other person you meet in public. We are all human.
- Don't go overboard with your praise of their work.
- Remember, as much as we know their names and a bunch of other trivial information about them, we do not know them. Don't expect him/her to act upon your own expectations and impression of them, judging only from public information which may not be accurate at all.
- Be polite and respectful.
- If s/he compliments you, say "thank you." Don't be brash or conceited about yourself, because they don't know us either.
- Never speak like a journalist. Speak as though you are talking to your friend; this person does not want to be interrogated. They might not be up for having a conversation with every person in line.
- Don't be disappointed if your experience doesn't match up with your expectations. They are human. They might be tired, a quiet person, or overwhelmed.

## Long lines and tired feet. There has got to be a better way.

# WELCOME TO THE INAUGURAL DENVER COMIC CON

"WELL, IT'S ABOUT TIME, ISN'T IT?"

I NEVER GET TIRED OF HEARING THAT. IT IS ABOUT TIME THAT DENVER HOSTED A PREMIER COMIC CONVENTION. IT'S ABOUT TIME THAT DENVER HAS A CONVENTION LOCATED IN BEAUTIFUL DOWNTOWN, IN THE WORLD-CLASS FACILITIES OF THE COLORADO CONVENTION CENTER. IT'S ABOUT TIME THAT THE FANS OF THE ROCKY MOUNTAIN REGION HAVE A CONVENTION TO CALL THEIR OWN. IT'S ABOUT TIME FOR DENVER COMIC CON! THAT FACT IS PROVEN BY THE LINE-UP OF COMIC BOOK PROFESSIONALS, MEDIA STARS, AUTHORS AND CREATORS THAT WILL BE ATTENDING DENVER COMIC CON TO MEET THE FANS. IT'S PROVEN BY THE AMOUNT OF SUPPORT WE'VE RECEIVED FROM LOCAL BUSINESSES, BOTH LARGE AND SMALL, TO HELP MAKE THIS SHOW A REALITY. AND IT'S BEEN PROVEN OVER AND OVER BY YOU. BY THE PEOPLE WHO BELIEVED IN THIS SHOW ENOUGH TO BUY TICKETS, FORM SOCIAL MEDIA FAN GROUPS AND VOLUNTEERED TO SPEND PART OF THEIR WEEKENDS TO MAKE THIS SHOW SUCCESSFUL. IN SHORT, IT'S BEEN PROVEN BY THE FANS; THE PEOPLE WHO, WHEN THEY HEARD ABOUT DENVER COMIC CON, TOLD US, "IT'S ABOUT TIME!" SO PLEASE ACCEPT MY DEEPEST THANKS AND GRATITUDE. I AM SO PROUD TO BE AFFILIATED WITH THE AMAZING PEOPLE BEHIND DENVER COMIC CON AND ESPECIALLY COMIC BOOK CLASSROOM. OH, YOU'RE NOT FAMILIAR WITH COMICBOOK CLASSROOM? PLEASE, LET ME FILL YOU IN.

COMIC BOOK CLASSROOM IS A FREE AFTER-SCHOOL PROGRAM OFFERED TO CHILDREN IN THE FOURTH AND FIFTH GRADES. OUR VOLUNTEER TEACHERS TAKE STUDENTS THROUGH A SIX WEEK PROGRAM AND TEACH THEM HOW TO CREATE CHARACTERS, FORM A PLOT, LAYOUT A PAGE AND CREATE A COMIC. STUDENTS LEARN HOW A STORY IS PUT TOGETHER AND HOW PICTURES CAN ENHANCE WHAT THE STORY IS TRYING TO TELL THE READER. ALONG THE WAY, STUDENTS LEARN THAT THEY HAVE A VOICE. THEY CAN USE THAT VOICE TO TELL ANY KIND OF STORY THEY WISH. THAT IS THEIR SUPERPOWER, AND IT IS AN EXTREMELY POWERFUL ABILITY.

AS YOU ENTER THE CONVENTION, YOU WILL SEE THE COMIC BOOK CLASSROOM CORRAL. I ENCOURAGE YOU TO STOP BY AND SAY HELLO TO THE GRADUATES OF THE CBC AFTER SCHOOL PROGRAM. THEY WILL BE ATTENDING THE SHOW AS HONORED GUESTS, SITTING NEXT TO THE PROFESSIONAL ARTISTS AND LEARNING THAT THERE IS A WHOLE WORLD OUT THERE WAITING TO HEAR ABOUT THEIR STORIES. STOP BY AND SAY HELLO. COMMISSION A SKETCH FROM ONE OF THEM OR JUST LISTEN TO THEM TELL YOU HOW EXCITED THEY ARE TO BE HERE.

TO BE COMPLETELY HONEST, I LEARNED TO READ BECAUSE OF COMIC BOOKS. I THINK MOST ATTENDEES, RETAILERS AND PROFESSIONALS HERE THIS WEEKEND WILL TELL YOU THE SAME THING. GRAPHIC LITERATURE MADE A DIFFERENCE IN OUR LIVES. THIS IS WHY COMIC BOOK CLASSROOM WAS FORMED. WE WANTED TO INSTILL A PASSION FOR LITERATURE AND ART IN CHILDREN WHICH COULD MAKE A DIFFERENCE IN THEIR LIVES. AS ATTENDEES OF DENVER COMIC CON, YOU'RE MAKING A DIFFERENCE, TOO. THE PROCEEDS FROM THIS CONVENTION WILL HELP FUND THE COMIC BOOK CLASSROOM. YOU ARE MAKING ALL OF THIS POSSIBLE. WELCOME TO THE PANTHEON OF HEROES!

# TV & FILM GUESTS

## TRUE BLOOD

**Kristin Bauer** who has been in the business since her early 20's, is most known for her role as Pam, in the HBO TV Series, True Blood. She splits her time between shooting, painting, and trying to bring light to things that should not be happening. She works with IFAW, The Amanda Foundation and other charities. Nature and animals are her greatest passion as they "Have always given selflessly to me, so much more than I ever could have dreamed or given back. Mother nature is the greatest, most magical art I have ever seen."

**Nick Gillard** Behind the thrilling choreography of the stage combat and mystique of the Jedi approach to battle is the wisdom and expertise of this film industry veteran stunt coordinator. The Star Wars galaxy is a dangerous place. Blaster bolts sear the air, and lightsabers clash in electrified battle. Gillard guided actors and stunt players through this kind of harrowing action and brought a special dimension to the stunts of Star Wars: Episode I, II & III.

To do this, Gillard had to create a fictional martial art that has an authentic, time-honored feel. Despite this serious side, however, he seems to have a weakness for Star Wars toys. Gillard has been seen raiding the "big box of cool stuff" sitting in the publicity office, usually walking off with the lightsabers. He claims it's for research purposes, though. After all, he is a Jedi Master.

**Mickael Uslan** is best known as a producer of all of the modern Batman films to date, starting with Tim Burton's 1989 film, and continuing to the upcoming The Dark Knight Rises (2012) and also including various feature-length films based on the Batman: The Animated Series and The Batman. His new book is called "The Boy Who Loved Batman".

**Jasika Nicole** currently stars as Agent Astrid Farnsworth on the hit JJ Abrams sci-fi series Fringe on Fox. She also starred in the films Take the Lead and She's Out of My League.

It was on the sets of film and stage productions that Jasika began drawing and then displaying her work online. Her website has since acquired an enthusiastic fan base.

## TRANSFORMERS

**Mark Ryan** began working on the 2007 film Transformers during filming as the on-set voice of several different robots. This work continued throughout filming and into editing, prior to the actual casting of voice-over talent. He was then cast as the voice of the character Bumblebee. Ryan also voices Ironhide and Hoist for the Activision video game based on the film. \*Appearing Courtesy of Coolwaters Productions.

# DENVER COMIC CON

JASIKA WILL BE APPEARING ON SATURDAY ONLY!

# TV & FILM GUESTS

**James Marsters** may best be known for the role of Spike, the cult favorite punk-goth vampire that he played for six seasons on the series “Buffy the Vampire Slayer” and then on the final season of the spin-off show “Angel.” He is a headlining fan favorite at conventions worldwide honoring the show and sci-fi genre.

As a sci-fi favorite, Marsters recurred on the series “Smallville,” playing the role of Brainiac, an android who causes a rift between Clark Kent and Lex Luthor. He was also seen in his recurring role on the hit BBC America show “Torchwood,” playing the ruthless and sexually deviant Captain John.

In addition to his acting career, Marsters is a successful singer/songwriter. He is the front man of the band Ghost of the Robot, which sold out tours on an international level. He also completed a triumphant tour of the UK and Australia, in conjunction with the promotion of his solo album, “Civilized Man.”

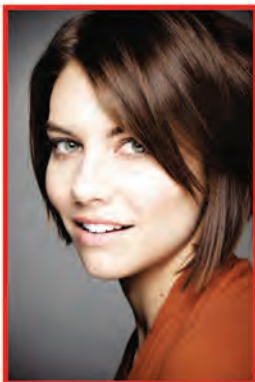

## THE WALKING DEAD

FROM THE HIT TV SERIES!

**Steven Yeun** who plays the very popular and ever reliable Glenn, got his start in the Chicago Improv scene. And it wasn't long before he had a cameo in the critically-acclaimed and top rated sitcom, The Big Bang Theory, as Sheldon's former roommate. He has also appeared in Law and Order as well as several short films.

**Lauren Cohan** known as the fierce beautiful tomboy, Maggie Green, is no stranger to TV and film. She has just signed on for season 3 of The Walking Dead and has had pivotal guest star arcs on NBC's fan-favorite Chuck and the CW hit The Vampire Diaries. On the big screen, Cohan has appeared opposite Heath Ledger in Casanova, starred in Van Wilder2: The Rise of Taj and appeared in the ironically-named Death Race prequel Death Race 2.

**Chandler Riggs** plays the youngest lead role, Carl Grimes, son of Rick and Lori who is the inquisitive boy struggling to understand the new world into which he has been thrust. The ten-year-old Riggs has several commercial credits. He appeared in the Lifetime Movie The Wronged Man and had his feature film debut in the Sony Pictures Classics film Get Low. \*Appearing Saturday and Sunday only!
