Photography Courses & Tuition

With Alan Ranger EFIAP, BPE4*, LRPS

Alan Ranger Photography provides a complete range of photographic evening classes and courses in the Midlands suited to all levels and cameras.

From the complete beginner to intermediate and advanced levels, Alan will tutor you through a series of weekly evening classes to hone your skills, understanding and creative vision.

Combine the classroom based photography courses with 1-2-1 tutoring or location based photographic workshops and you will soon be creating stunning images with confidence and a smile.

"Alan is very creative, inspiring and passionate photographer, artist and tutor - he opens your mind to exciting possibilities in a way you can't get from a book"

"Alan is an exceptional presenter, very passionate about the course, with great humour, makes everyone feel at ease and love his life view! Brilliant!"

"I was so worried about coming & not confident in my ability to take a good picture - Alan, in 3 hours has set the building blocks in my journey to take awesome pictures!"
