Something to think about

...

This weeks parsha starts of by

saying **JUSTIN BIEBER** that

actions are just as powerful as words. So if you don't like talking you can just give them a hug and it would mean just as much! So always be careful of what you do and say.

The bar on the side is this weeks quiz question. The aim is to put the following in order. Them money is easy if you get 1 wrong you get \$9 if you get 2 then \$8 and so on. Good luck to everyone!!

The Question:

In **reverse order** (so put the latest one first) what were the ten plagues?

The hint is Death of the firstborn goes first!

1. Lice
2. Wild Beasts
3. Death of the first born
4. Blood
5. Boils
6. Frogs
7. Darkness
8. Hail
9. Pestilence
10. Locusts

WANT TO SAY SOMETHING, SAY IT
AND LOUD
SEND IT TO THE SHIRA CLUB!!
