Diary of whimpy Kid (aka Yards)

So listen. Life at the moment totally sucks coz there is this awesome thing going on at shira. on purim and everyone already knows what there costumes are and who they are going with. i feel like such a loser coz i don't know what to go as. i wish i had an idea. i decided to chat to Samuel and ketoret to see if they had any ideas but they were like 'oh my gosh i

can't believe you don't know what your going as yet!' that totally made me more freaked out. I better work it out fast coz if i rock up in a lame costume it will basically be social suicide.

If you think you can help email yardena.prawer@gmail.com with your ideas
