

Series: The Human Element

Title: Expose

Text: Genesis 3:1-7, 21

Big Picture for Series

To think, live, and be as God intended.

Key Thought for Today

To be fully human is to expose the lie and engage the truth.

- You cannot solve you.

Lies, Lies, Lies

1. The essence of sin is a lie.
2. The two lies of Genesis 3:
 - YOU: You can go above and beyond God.
 - GOD: God isn't good.

Living a Life of Covering Up

We try to solve ourselves by covering ourselves.

I: Items

D: Duties

O: Others

L: Longings

S: Suffering

God's solution is his provision

It's not what you do but what has been done.

- God pursued them.
- God promised death.
- God provided for them.

Engaging the Gospel

1. Expose the lies.
2. Drop your idols.
3. Accept God's provision.
