Title: Prove It

Text: 1 Corinthians 15:1-8, 12-22

A Big Move

Jesus moved towards the worst day of His life, so you could move to the best day of yours.

Your Move, Part 2

Prove it.

Why The Move

A crucifixion without a resurrection is irrelevant.

Big Thought for Today

An empty tomb deserves full consideration.

- Human history does not hinge on a teaching, it hinges on an event.
- This move drives why a person moves from “believe that” to “trust in.”

Considering An Empty Tomb

1. Death is the end for us all.
2. The recorded story does not make sense.
3. All of Christianity should be ignored.

Holy Week

Jesus could do no more to prove He was God, and that He wants to be your God.
