

# GRACE AT THE MOVIES

## Top Gun

Genesis 3:6-12, 17-19, 21

---

### START HERE

Make sure the Bible, not the movies, is your source for theology.

- Look for truth and theology in movies.

### BIG THOUGHT

Don't send a boy to do a man's job.

### A MAN'S JOB

1. He leads his family/relationships spiritually.
2. He accepts responsibility for his various callings.
3. He seeks obedience to God and the mission.

### IN JESUS

1. We see a man fulfilling a man's job.
2. We are forgiven for acting like boys.

*Please be considerate of others during the worship service by silencing your cell phones, refraining from texting, and taking disruptive children out of The Main.*
