

# GRACE AT THE MOVIES

## Frozen

1 Peter 4:7-11

---

### TODAY

We need to make the best of “those” moments and not have “those” moments make the worst of us.

- Find a way for that moment to work for you and not against you.

### BIG THOUGHT

Choose to be an on-ramp to Jesus and not an obstacle from Jesus.

- Your moments become your message.
- Your message is part of the movement.

### BEING AN ON-RAMP

1. Keep the moment in perspective.
2. Choosing love is never a bad idea.
3. Remember that your strongest gift can be your greatest strength and/or greatest weakness.

### THE GOSPEL

The cross was the ultimate example of making one of “those” moments into an on-ramp.

*Please be considerate of others during the worship service by silencing your cell phones, refraining from texting, and taking disruptive children out of The Main.*
