

DID YOU KNOW?

Who, Me?
Esther 4:12-16

CONSIDER TODAY

1. God is moving history in a direction on purpose.
2. God is organizing His people for His purpose.

BIG THOUGHT

Your turn is right now, right there.

YOUR TURN

1. You bring stuff to “there” that only you can bring.
2. God is going to move with or without you, but you can miss out.
3. The focus is what is right, not what will result.

IN THE END

Your greatest regret will be not swinging.

Who, Me?
