Good Monday Members!

Here we are with August knocking on our door (hard to believe) so many exciting things ahead for all of us - thank you for continuing to allow me into your business "lives" and to celebrate your successes!

This email is full of news you need to know -deadlines to participate in our first ever cookbook to support the eWomenNetwork Foundation, a request from me to give one of our great members support in a contest she is involved in, a special - never available offer to two members and of course the upcoming events.

Cookbook - Submission Deadline - Friday, July 27

We need your recipes ASAP in order get our 1st Annual eWomenNetwork Cookbook printed in time for the holidays to benefit the eWomen Foundation! We have 56 recipes and need 64 more by the end of July!

Please submit up to 3 recipes to Elizabeth Case at elizabeth@yellowdogconsulting.com in any of the following categories:

- - Breakfast
- - Appetizers/Beverages
- - Main Dish
- - Soup
- - Sides
- - Bread/Pasta

Recipes should be submitted in the body of the email to Elizabeth. **Please do not scan Nana's handwritten recipe from 1946 - you kind of get this could be cumbersome...right? (Insert me smiling and winking at you.)**

Our very own Melina Young of Verity Credit Union is in the running for America's Next Top Credit Union Executive and she could use your vote - follow [this link](#) - and give her your support! I'll keep you posted and tell you WHEN she wins - (again I am smiling and winking at you here!)

New Member Offer and A Thank You For Referring

You continue to support this chapter in referring your powerful business partners for membership - and while eWomenNetwork has its own way of rewarding you when you refer 3 potential members who join in becoming an event sponsor as Member Matchmaker - but I have a special offer that has never been given.

Sponsored Locally By:

For the next two members who join before July 30th - I am going to host a 1/2 day business summit for them and the member who sponsored them (doing the math you can tell it will be intimate - just 5 of us) - here's what we'll cover:

- Dive into your messaging, creating a compelling introduction that will leave everyone you meet saying WOW - tell me more!
- Analysis of your sales, marketing and revenue streams.
- Identify strategic alliances
- Give you the juice you need to complete your one page business plan.
- With ample time for collaborating and connecting.

It's ultimate value is priceless (again see me winking and smiling) - if you were to sign up to do this as an offering of mine you'd be investing just over \$200.

I've never offered this before - but feel strongly compelled after receiving such rich recognition at conference this past week - to share my joy with you.

So what do you do? Follow up with the guest you most recently invited to an event - let them know I have a one time only bonus this month and ask them to join.

If the two new members do not present themselves early this week as a result of your efforts, I'll offer it to the guests I have invited over the past couple of months. It will most certainly be full by Friday.

Thank you for your support of the chapter!
