# BRIAR ROSE

July, 2013

In my family, summers are sacred.

They are about sun and rain and mud and frogs and strawberries and dirty feet. Falling asleep on porches under piles of quilts as the air turns chilly and the crickets begin to sing, and never, ever brushing your hair (but maybe your teeth). And swimming. Lots and lots of swimming.

**BRIAR ROSE** is inspired by summers: past and present, and by families: mine and yours.

-Heather

**BRIAR ROSE** is printed on **QUILTING WEIGHT COTTON**, and is especially perfect for patchwork, bedding, decor, and clothing for babies and kids. Visit us online for more ideas and inspiration.
