

# Cancer Death Rates for Louisiana by Parish

Per 100,000

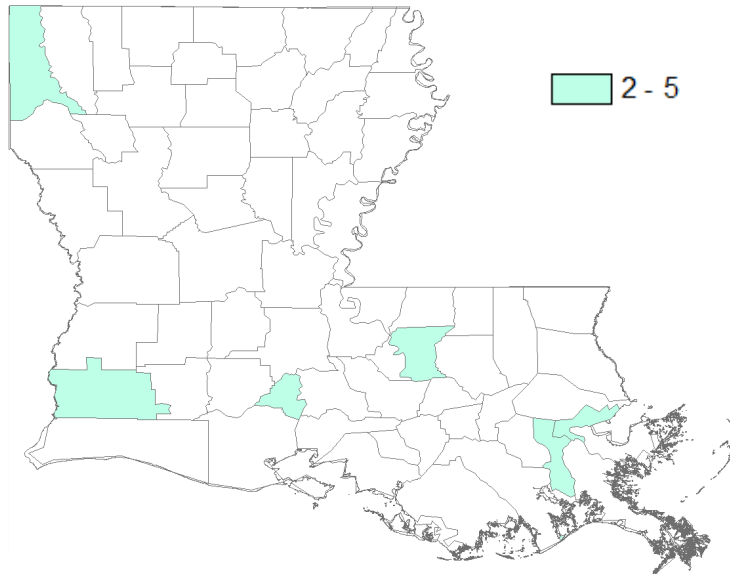

## Breast (Female)

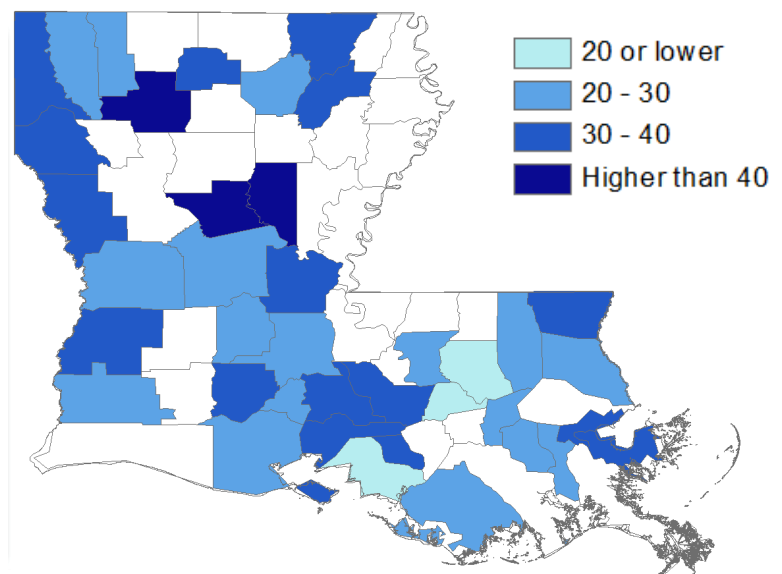

## Colorectal

## Cervical

## Prostate

Source: National Cancer Institute. *State Cancer Profiles*. <http://statecancerprofiles.cancer.gov>

Note: Rates are annual death rates through 2010 and include all races and ages. Breast cancers refer to invasive cancers. Parishes with no color indicate the data has been suppressed to ensure confidentiality and stability of rate estimates.
