

SMiIDS.com offers you the entire e-Commerce eco-system, complete with the basic components of an e-retailing platform, payment gateway, logistic management & CRM. It also focuses on portal and media which help generate traffic, provides education and training on online business, design and e-commerce business management.

Diversity, a breakthrough amidst adversity

Businesses have been weathering the global economic turbulence but with adversity comes diversity. With the passage of time, strategic marketing solutions can only opt to outdo themselves in order to achieve optimal results and enhance competitiveness.

As a borderless business platform and gateway to the biggest marketplace, the Internet, SMiIDS.com is the perfect market channel for shrewd businesses. Based on such an understanding of the intricate need for a realistic platform in the market that delivers genuine and solid results, it promises to reach the right consumers and optimize limited resources. SMiIDS.com has emerged, providing businesses with an innovative and alternative marketing channel.

Advertising and Promotion network, answering to market needs

Businesses around the globe are actively looking for niche consultancy services to take on challenges and opportunities. It raises competitiveness, making SMiIDS.com a valuable trade platform to not only introduce an innovative design rather, a media to diversify their advertising and promotion network.

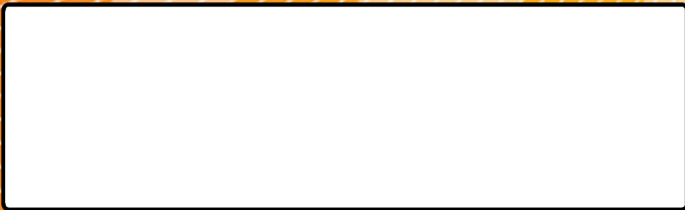

We acknowledge the power of advertising tool and thus offer a full spectrum of integrated advertising and promotion network, leveraging business towards achieving respective goals in this new Internet evolution era.
