

No gimmicks! No short term fixes!  
Blessings such as these come from  
God....through his Holy Spirit.....  
working through Word and  
sacraments!

### ***Excel in the Grace of Giving brings God's Word to God's stewards!***

- Focus on the gospel, the power of God which creates the capability and desire to give generously
- In-depth Bible study on principles of Christian stewardship
- Emphasis on the reasons why our gracious God wants his people to give generously

### ***Excel in the Grace of Giving is unique and it's powerful!***

A distinctive blend of seminars, workshops and worship that instills in your members a spirit of thankful giving and inspires your leaders to be models of generous stewardship.

God  
Loves a  
Cheerful  
Giver

Our mission is to further God's kingdom by assisting and supporting Christian ministries through stewardship efforts and programs. We believe stewardship should be viewed as a special opportunity to return to God some of the blessings entrusted to his people. Our programs not only raise the hearts of God's people, but their stewardship levels as well.

growing resources...  
for growing ministries**

## ***Excel in the Grace of Giving***

### ***offers your members:***

- Members who give generously, willingly...not reluctantly as though paying bills?
- Leaders who give thankfully, joyfully...as an example to others?
- Members who include your congregation in their estate plans?
- Endowment funds that are growing and supporting growing ministries?

### **Is your church seeking...**

- Members who give generously, willingly...not reluctantly as though paying bills?
- Leaders who give thankfully, joyfully...as an example to others?
- Members who include your congregation in their estate plans?
- Endowment funds that are growing and supporting growing ministries?

### **Imagine the blessing...**

Imagine having growing financial resources to support growing ministries rather than tensions caused by shortages and making do with little.
