goodwood deconstruction blocks are handmade in a small and ethically run factory, from sustainably harvested rubber wood

mulch j:

- 12 pieces
- pieces combine to form new shapes
- surprising possibilities
- excellent starter set

mulch l:

- 36 pieces
- great tiling and patterning possibilities
- colourful alternative to dominoes and plank-style blocks
- plenty of pieces make them great for sharing

mulch f

mulch f:

- 12 pieces
- square shape for easy stacking and large size makes the set suitable for young children
- mulch f is the flagship of the goodwood series

mulch m

mulch m:

- 6 pieces
- innovative shape with countless possibilities for construction
- evoking an "animal" shape, this set is great for imaginative play
- great desk toy for adults

mulch h

mulch h:

- 6 pieces
- elegant chair-shaped pieces can be combined and stacked in an incredible variety of ways
- makes an excellent desk toy and conversation piece for adults

mulch c

mulch c:

- 18 pieces
- compact size is great for travel
- shape is good for building up, as well as flat tiling, patterning, and tessellating
- can be combined to make two perfect cubes

GOODWOOD'S EMBODIED HISTORY

Enjoy, with a happy conscience!
