

## **Our #1 Favorite Treat**

- 1 bag of Tostitos Scoops®
- 2 (8 oz.) pkgs. cream cheese
- ½ - 1 cup Candied Jalapeños, diced (a food processor works good)

Soften cream cheese and beat with mixer until light and fluffy. Spoon into a frosting bag, or baggie with end cut off. Place scoops on serving platter and add approximately 1 tablespoon of cream cheese to each scoop. Spoon diced, Candied Jalapeños to top off the cream cheese. If you have a non-spicy crowd you can take the seeds out before dicing.

This is how we serve our samples!
