

National Interscholastic Athletic Administrators Association

January 6, 2011

Dear Dan,

In December, 2010, the NIAAA Board of Directors reviewed the FreeRecruitingWebinar.org initiative. After careful consideration, our Board voted to endorse the initiative.

The NIAAA leadership feels FreeRecruitingWebinar.org provides a valuable service to our members but more importantly, an invaluable service to the students we serve. Free RecruitingWebinar.org imparts valuable education to the students and their parents on a subject they know very little about and it is at no cost to the parent.

Thank you for this important service and keep up the good work.

Sincerely,

Bruce D. Whitehead
