After careful review, the National Soccer Coaches Association of America is pleased to announce its support of the FreeRecruitingWebinar.org initiative. The NSCAA finds the webinars and on-line resources FreeRecruitingWebinar.org provides to be a viable tool for our membership as well as the soccer players they serve.

In addition to providing access to the webinars on our website, we look forward to having FreeRecruitingWebinar.org staff members provide breakout sessions at future NSCAA Conventions and events.

Keep up the great work!

Sincerely,

Joe Cummings
NSCAA Chief Executive Officer
