

8 PERSON MULTIPLAYER GAMES

All stations have a 50" Plasma TV, 2 High End Theater Seats with Speakers and Subwoofers, Xbox 360 Gaming System, Wii Gaming System, 2 Wireless Xbox Controllers, 2 Xbox Wireless Racing Wheel, 2 Wii Remotes with Nunchucks.

We carry hundreds of games for Xbox 360, PS3 and Wii. Some of these games are individual and others are multiplayer.

Below are the specific games we can link up to 8 people together in one Virtual World. If the group is playing one of our racing titles then everyone is on the same virtual track crashing into each other and fighting to get over the finish line first. If they are playing one of the combat games they are all playing on the same distant planet or in the same warehouse. *The real fun of our trailer is playing together as a group!*
