### Why support Hillcrest Academy as a club member?

Club members become partners in the ministry of Hillcrest Academy by helping to support the school's annual operational budget. As a result, they assist in keeping tuition rates low, making a Hillcrest education attainable for more students. Additionally, member support helps to secure Hillcrest's financial foundation into the future, ensuring that it will remain able to provide quality, Christian education for years to come. There is no limit to the term of your enrollment provided your continued desire to participate in the club each year. Club members may move up to a new giving level, simply by notifying the HLA Advancement Office

### Every club member will enjoy the following annual benefits:

- Be listed as a Club member in the HLA Annual Report and every issue of the Hillcrest Connection
- Receive a Season Pass for home sporting events each year the club membership amount is received
- Receive a complimentary subscription to the school newsletter, HLA Today (during the school year)
