## Company Brief

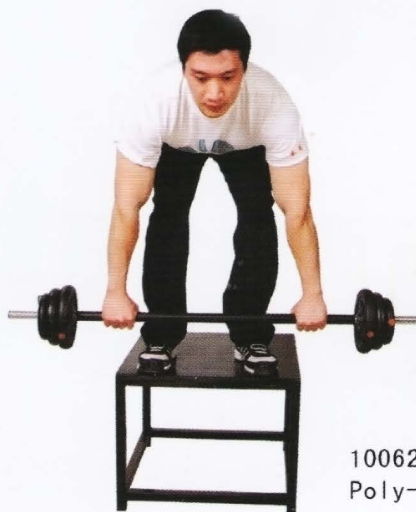

Rizhao Pioneer Barbell & Fitness Inc. is a professional dumbbell and fitness products manufacturer, We set up our foundry and vinyl dipping workshop in 2000, 2 years later, we set up rubber workshop for rubber dumbbells and weight plates, then sewing workshop for ankle weights and gym mats. In 2008, Pioneer set up injection workshop for urethane coated dumbbells, weight plates and kettlebells, the strong increase in the past 10 years give us a chance to set up advanced management system for design, R & D, production process, QC inspection and on time shipment.

That's also the reason why we have good business relations with BODY SOLID, HOIST, MARCY, EASTON BELL SPORTS, EVERLAST, ICON and Target Stores... Pioneer shipped more than 500 containers in 2008 to both commercial use market and home use customers.
