 **Hipstamatic Launches Oggl, Looks To Compete With Instagram »**

"Prior to Instagram becoming famous and synonymous with photos with filters excessively applied to them, there was Hipstamatic which pretty much offered the same thing. It's safe to say that that app has since taken a backseat to Instagram, but now the company is back with a new app called Oggl which they hope will provide Instagram with a worthy competitor."

Trello

<http://trello.com>

The screenshot displays the Trello web interface for a board named "TextThatQ (Marketing)". The top navigation bar includes the Trello logo, a search bar, a "Help" link, a user profile icon, and a green notification bubble that says "Roo! (New stuff available!)". Below the navigation bar, the board name "TextThatQ (Marketing)" is shown, along with links to "CoMo Coding" and "Org Visible".

The board is organized into three columns:

- Backlog:** Contains five cards. The first card is "Marketing pinned card" with 1 comment. The second card is "College email lists and or solo ads" with 19 comments. The third card is "TTQ Tee Shirt Pic volunteers at JC High School. Contacting and asking them to participate." with 2 comments and 1 attachment. The fourth card is "SEO & Keyword analysis for organic traffic" with 2 comments and 1 attachment. The fifth card is "Find targeted email lists for solo ads".
- Marketing Tasks:** Contains five cards. The first card is "Outline for TTQ How To video for website" with 2 attachments. The second card is "Marketing Philosophy!!" with 1 attachment. The third card is "Dormant Users Email Blast" with 2 comments. The fourth card is "Change company name to CoMo Coding on App Store" with 5 comments and a due date of "Mar 22". The fifth card is "App Review Sites" with 1 attachment. The sixth card is "Landing Page for New".
- In Progress:** Contains three cards. The first card is "Unique Selling Proposition Brainstorm" with 1 comment and 14 views. The second card is "Setting up Mailchimp" with 1 comment and 12 views. The third card is "Facebook Ad - indirect approach" with 1 comment. The fourth card is "Viral marketing video with text, music background." with 1 comment. The fifth card is "Schedule Nokia Lumia 920 viral video for a post" with 2 comments.

Each card has a progress bar at the top, indicating its completion status. The interface also includes a "Add a card..." button at the bottom of each column.

Ta-da! Your to do list, simplified

Checklists, chore lists, and more.

If you're anything like us, your **to do list** is a mile long (and maybe it looks like an explosion in a sticky-note factory). Let Cozi help you manage the tasks that need to be done.

- Create a shared or individual to do list for anyone in the family.
- Easily reorder items by priority and add headers to organize.
- Add a [due date](#) to an item and it appears on your family calendar.
- Print your kid's **chore list** to post in a place they're bound to see it, like their foreheads.
- Add a pre-made planning checklist to Cozi from our [list](#)
