- Discussion & coordination help for 1<sup>st</sup> Annual Meeting to be February 12<sup>th</sup>
- Other New business

Above is the agenda for the next business meeting .... If you have anything else you would like to see discussed send me a short note and I will include it.

The Fund Raising Committee has put together a budget for a great event in March that we will be discussing and hopefully approving.

We will need some help planning and preparing for the 1<sup>st</sup> Annual Meeting in February.

I received the first couple in a series of Blues DVD's put together by EC Scott featuring various artists (Corey Bell & Koko Taylor). If possible I will have a set up at Sammy's so they can be seen and copies available. Future weekly releases will be 1 hour (26 total).... These are part of a pre-release to the National Blues Network that is in the planning stage. Discussion on this proposal to follow at the meeting.

We did get some coverage from Volume 1 in their last issue that should help bring in some new members.... Pick up a copy .....Remember to bring a friend to the next meeting
